

THE GAME IS FUN!

The Toronto Marlies have created The Game is Fun! program. The goal is to place the emphasis on fun while ensuring a positive hockey experience. Our primary mission is to provide minor hockey players the chance to develop hockey skills in a fun and exciting environment.

Marlies Skills Challenge (on-ice)

- Targeting minor hockey house league teams and associations in the GTA and surrounding area.
- Running on-ice skills events that not only challenge the minor hockey players, but also show them how much fun hockey really is!
- Bringing elements to a minor hockey practice that they wouldn't have access to on a regular basis.

Marlies Minor Hockey Events Team (off-ice)

- Focused on attending minor hockey festivals and tournaments in the GTA and surrounding area to enhance the quality of their events.
- Inflatable interactive games.

“Learn to Skate” with Marlies Mascot, Duke

- Targeting “Learn to Skate” programs in the GTA and surrounding area to add fun and excitement to the skill of learning how to skate.
